STIPULATION AND ORDER

The parties hereby stipulate and agree to an extension of the time permitted in the captioned matter for discovery, for the sole purpose of conducting certain Rule 30(b)(6) depositions noticed by the Plaintiff. Subject to the Court's approval, the time within which Plaintiff, Khristine Floray, may conduct such depositions shall be extended until September 6, 2006.

The parties seek such extension to permit them to engage in settlement discussions and to participate in the Court-ordered mediation scheduled to take place on August 18, 2006, and because their respective schedules would preclude conducting such depositions in the remainder of August.
